

Snowmass Condominium Properties

Family fun just steps from the slopes.

OVERVIEW

The Snowmass Condominium Properties are located in Snowmass Village, on one of the finest ski mountains in North America just eight miles away from Aspen. With the largest collection of slope side properties in Snowmass Village, guests can choose from moderate to deluxe ski-in/ski-out and slope side lodging that is walking distance from more than 30 restaurants and a multitude of shopping, recreation, and cultural activities. Our convenient and practical locations combined with our unique amenities and friendly service makes every visit to Snowmass Village unforgettable.
